### SIMS Agora

As you know we have been experiencing problems with the online payment/consent system. This problem does not affect everyone, so please do try to use the system if you are able to in the usual way. If you are unable to use the system please send in cash or cheques to school to pay for items such as school meals etc. Any consent forms will be paper based for those unable to access the system. We apologise for any inconvenience caused.

### Introducing...our new class identities;

We have named each of our classes after birds in keeping with the rural location of the village and in line with our school logo and it's links with nature. This creates class identity and a sense of community for each group regardless of whether it is a mixed age group class or not. Keep up to date with your child's curriculum by looking at Twitter.

### Outdoor Project Committee Update

As you will have seen on Twitter, our new committee have been selected and held their first planning meeting on Tuesday.

Today, (Friday), we met with Mick from *M & M fencing and sheds* to make decisions about the new sheds for our playground.

We are pleased to announce that they have now been ordered and we are expecting delivery before October half term. These are being funded by the PTFA.

### Sponsored walk Thursday 20th September

The sponsored walk is next Thursday (fingers crossed for decent weather!) and, whilst keeping fit and promoting healthy lifestyles, our aim is to raise as much money as possible for the outdoor project. More specifically we will use the money raised to buy equipment to go inside the sheds (eg. bats and balls, craft materials, card games like Top Trumps). Each class will have a voice in choosing the toys that they would like to buy. PLEASE try to raise as much money as possible towards this exciting project.

# Sporting Success

Lots of our children have achieved highly in various sporting events recently and we take great pride in sharing their achievements with our whole school community.

**Running:** Lottie ran the Great North Run last week with huge success coming first place in her age category. What an occasion to be a part of. Well done Lottie!

**Football:** Jack and Alfie from year 5, have recently won the Leeds Cup. They played in five games and were the overall winners. Well done to Jack and Alfie and to the Hesse Rangers team.

**Horse Riding:** Jake and Olivia recently competed in the Newport gymkhana, again successfully bring home the silverware in various categories. Well done!

**Swimming:** Amber participated in a recent swimming gala achieving second place in the butterfly swim stroke. Fantastic!
