**Y6 Eagles flying high!**

We would like to share with everyone how proud we are of our year 6 pupils following the completion of their SATs tests this week. Their measured approach was admirable and disguised the wealth of determination, perseverance and resilience that shone through. Many thanks to the families for supporting their children in every single way we have offered—revision clubs, practise homework and the early morning breakfast club. The children's feedback about breakfast club told us that they found it relaxing and a great way to start each day—amongst friends! Well done!

Now that the weather is better, please remember to send your child with a sun hat, water bottle & apply sun cream before school to protect them at break/lunch & PE times. Thanks

EYFS Outdoor Project results

Look at the results of our Ground force day held on Tuesday 7th May! We were astounded by the generosity of parents and families in giving time and energy to help out and also the staggering amount of resources that were donated—these included plants, compost, an entire mud kitchen, the loan of a van to take away garden rubbish. It truly was amazing and we cannot express our gratitude enough—possibly the best way to share how grateful we are is to communicate how much the children are enjoying the space, the new resources. What an impact! Thank you so much.

PIC•COLLAGE

Summer Term Events: Sports Days**Tuesday 18th June - KS1 (10.00am) KS2 (1.30pm)**

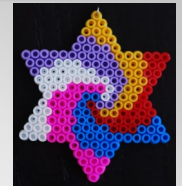

(Reserve date: for KS1/KS2 Monday 8th July, same time)

Family Picnic on the field following KS2 sports—all welcome—more information to follow**Beads Club for Key Stage Two**

Mrs Buck's hama beads club which runs every Tuesday night until 4.30pm is now being offered to key stage two pupils as well. Please contact the school office if your child is interested in joining.

Football Fixture—Years 5/6

The Y5/6 football team had a battle on their hands last Wednesday as they were up against the leading school in the league. Despite a testing week with SATs, our team gave an outstanding effort and although we lost both fixtures, they kept their heads up and never stopped trying. Well done everyone, just one more fixture to go!

Scabies

There has been a reported case of Scabies in school. Scabies is very common and anyone can get it. It should be treated quickly to stop it spreading. If your child has Scabies, they can return to school after first treatment. Treatment is recommended for household and close contacts also.

For more information, please visit the following NHS website:

<https://www.nhs.uk/conditions/scabies/>

Attendance News

Overall attendance this year
so far 96.3

Wrens 97.4 well done

Robins 97.3 well done

Starlings 99.5 well done
