Celebrating Success

As you will be very much aware, our school has grown and developed in many different ways over the last two years and we are now in a very stable position, truly building a successful school according to the values we have carefully developed and re-establishing Gilberdyke Primary as an integral part of the village community. This is clearly evident through the growing amount of new families who have chosen to join our school since the end of the summer term (15 new children to date!) and the unprecedented numbers of pupils wanting to join foundation stage one this year.

As the school performance tables are due, I thought it would be good to share in advance some of our provisional school data figures for 2017/18. As parents, you should be incredibly proud of the academic achievements your children have secured. These results reflect the strong commitment of everybody in our school community to SUCCEED and staff could not have worked harder to prepare children for the next stage of their schooling. Results are always cohort specific but these truly reflect our core value: We Are Aspirational.

Parent consultation Evenings: 27th & 29th November

Please continue to book appointments to see your child's teacher next week if you have not already done so. We expect every parent to attend as part of the drive to ensure that we are supporting all children in every way possible. The evening is very much a shared celebration across school with food and drinks as well as a range of other opportunities set out in the hall for you to benefit from. We are very much looking forward to the evenings.

Consultation on admissions for 2020/2021

We are consulting parents about admission arrangements for the academic year 2020/2021.

Please access the consultation via our website; www.gilberdykeprimary.co.uk
