5 October 2020

Dear Parents/Carers

## Re: Individual School Photographs Monday 19 October 2020

After careful consideration we have agreed that school photographs can go ahead this year but with the following restrictions:

- There will be no family group photographs to protect the integrity of our bubbles
- The photographer will wear a mask and will maintain at least 2m distance from children and staff
- The area will be sanitised before the session and between each bubble
- All orders should be made to Tempest online rather than returning envelopes and payment to the school office

All children will have a photograph taken, if your child comes to school on a Monday in their PE kit, please send in their usual school jumper or cardigan to wear over the top of their PE kit. A copy of the photograph and details of how to order will be sent home during the week. There is no obligation to purchase unwanted photographs.

If you have any queries please do not hesitate to contact the school.

Yours faithfully

Mrs M Shirley

Head teacher
