Dear Parents/Carers

Re: School Nurses

In light of the guidance from government, the school nurses have asked us to let you know about the availability of school nurse support.

This is a link for the ISPHNS website.

<https://humberisphn.nhs.uk/>

This website is a useful resource for many parent/carer queries, and also contains information to support young people. School nurse duty teams are also available to answer any staff or parental queries.

Any changes to the service will be publicised via the relevant Facebook, Instagram and Twitter pages and also contain information that is pertinent to children and their families at this challenging time.

Kind Regards
