Dear Parents and Carers

RE: 2020 Time Capsule

For the past couple of years, we have proudly displayed a collaboration of work, based on the First World War Centenary, down one of our main school corridors. Many children and their families contributed a piece of artwork/writing to be showcased on the walls; this work was then admired by all.

2020 has been such an unusual year for all of us; however, we would really like to draw on the positives. Therefore, we are asking you to work with your child to create a visual representation of your most precious/memorable lockdown experience. This could be: a photograph of a special day, a drawing or painting, a piece of writing or a homemade model. Once we have received all of your contributions, we will once again create a fabulous display to showcase Gilberdyke Primary School's 2020 experiences.

Could all contributions of work please be handed in to school by Friday 6 November 2020 and be labelled with your child's name and class.

We are really excited to see all of your favourite memories and build our time capsule!

Kind Regards

The Gilberdyke Primary Team
