Dear Parents/Carers

Re: Harvest Festival

At this time of year, we would normally be celebrating Harvest with a whole school Harvest Festival assembly. Due to the current circumstances this will not be able to happen, however we do not want to let this special time of year pass by without thinking of others and helping our local community.

This year we as a whole school alongside the local churches, have chosen to support the Mission Trinity food bank in Goole which offers a free food service for all members of the community. The Mission Trinity food bank is particularly poignant at the moment due to the impact that Covid19 has had on people in all walks of life.

The food bank offers food for those who need it three times a week as well as a meal option once a week (when Covid19 restrictions allow).

We would welcome any food donations to support our local community. Examples of food items that are currently being requested are included below. If you are able to donate any of these items, then please send them to school by Tuesday 20 October 2020. These items will be held in your child's bubble and delivered to Mission Trinity during half term.

Many thanks for your valued support.

Kind Regards

Mrs Farrow and Miss Scargill
RE Coordinators
